PEOPLE WHO FLY HAVE AN INTERESTING WAY OF SHOWING WHICH AIRLINE IS NUMBER ONE.

THEY BUY TICKETS.

And for two years in a row, the ticket that more people bought was an Eastern ticket. Because more people flew Eastern than any other airline in the entire free world. In the past two years, we've grown in other ways as well. Our route system now includes new cities throughout the West and Southwest, and from our hub in Miami we're flying to even more islands in the Caribbean, as well as adding new routes to Central America. Today we fly almost 40 million passengers a year to 111 cities in 14 countries. But we never forget that there are a lot of airlines out there you can fly besides Eastern. So we're especially pleased to know that Eastern is the number one passenger carrier in the free world.

GENERAL PASSENGER INFORMATION

TICKETS: When your reservation is confirmed, you'll be asked to purchase your ticket within a specified time. Please be sure to do this in order to avoid disappointment, because we are required to cancel your reservation if you don't.

SPEEDMAIL TICKETING: For your convenience Eastern offers a service by which your tickets are sent to you by mail. You can charge it on most credit cards. Call us for details.

RECONFIRMATION OF RESERVATIONS: EASTERN AIRLINES does not require reconfirmation of reservations. Reconfirmation of continuing or return reservations may be necessary when your itinerary includes a stopover of more than 72 hours, and the flight following the stopover is to or from an international point on another airline. To reconfirm, contact the other airline by telephone or in person at least 72 hours prior to the scheduled departure of your flight. Failure to do so may subject your reservations to cancellation.

CONNECTING INFORMATION: If you are a connecting passenger to an Eastern flight and your baggage has already been checked to your final destination, you may go directly to the boarding gate at the connecting point. You do not have to recheck at the ticket counter. Eastern agents are available to meet most international flight arrivals at Boston, New York (JFK Int'l), Miami, Philadelphia and San Juan to assist you in making connections to Eastern flights.

BAGGAGE INFORMATION

FREE BAGGAGE ALLOWANCE: Eastern Airlines will carry free systemwide three bags having linear dimensions no greater than 62", 55", and 45". The 45 inch bag (length plus width plus height) may be carried aboard the aircraft provided the height does not exceed 7 inches. The weight of each bag is limited to 70 pounds.

CARRY-ON BAGGAGE: Government safety regulations issued by the FAA limit carry-on baggage and related personal belongings such as briefcases, umbrellas, hat boxes, cameras, musical instruments, binoculars and packages of such dimension that they may be stowed under a passenger seat or in an approved overhead latched cabin compartment. Acceptability of carry-on baggage for storage in the overhead compartment is dependent on the weight of the baggage.

EXCESS BAGGAGE: Baggage that does not qualify as free allowance will be charged for at published tariff rates. Passenger originating or returning from the U.S. and Canada to Antigua, Barbados, Dominican Republic, Guadeloupe, Haiti, Jamaica, Martinique, St. Lucia, St. Maarten and Trinidad is allowed one (1) piece of excess baggage only.

RESTRICTED ARTICLES: Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hair-sprays, shaving cream and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.

Fruits, plants, meats, and similar agricultural items cannot be taken into the United States without permission. Consult the U.S. Department of Agriculture of the nearest U.S. Foreign Office overseas for details.

BAGGAGE IDENTIFICATION: Airline regulations require that the passenger's name be on the outside of each piece of baggage that is checked. Eastern is not permitted to accept baggage for checking that does not comply with this requirement. For your convenience, baggage identification labels are available free of charge, from the airlines.

LIABILITY: The Company's liability for loss or damage to baggage is limited to the amount published in official tariffs (available for your inspection at all Eastern Airline ticket offices). You may declare extra value by paying a nominal charge before departure.

CHECK-IN TIME BEFORE SCHEDULED DEPARTURES

For Domestic Flights—At least 40 minutes.

For International Flights—At least 40 minutes for flights to/from Canada, Puerto Rico, Virgin Islands, or to Bahamas, Bermuda from the U.S. At least 60 minutes for flights between Mexico and U.S. or from Bahamas, Bermuda, or points in the Caribbean to the U.S.

For All Flights—Eastern reserves the right to cancel the reservation of any passenger who fails to present himself at the airport loading gate at least 10 minutes prior to the scheduled departure time of the flight on which the reservation was made. Such cancellation will cause any passenger to be ineligible for denied boarding compensation.

Departures, Arrivals, Connections: Eastern Airlines makes every effort to operate on time for you; however, we cannot accept liability for delays in flight arrivals or departures, or for missed connections.

EXCEPTION: CONDITIONAL RESERVATIONS—A passenger must present his validated ticket specifying his conditional reserved space at the departure gate at least 20 minutes prior to the scheduled departure time of the flight in order to be eligible for Conditional Reservations boarding, or compensation, should he not be boarded.

Tourist Cards: If you are going to Mexico, you'll need a Mexican Tourist Card and proof of citizenship. Any Eastern Airlines Office can provide you with this card; many can even prepare them for you.

Passport Visas: If you are an international passenger you'll go through customs and immigrations examinations. Any Eastern Airlines Office, authorized travel agent or the consulates of the countries involved can give you assistance to be sure you have all the valid documents required by countries from, into and over which you are to fly. Naturally Eastern Airlines cannot be responsible for the accuracy of any information supplied, nor the failure on the part of its passengers to comply with any government regulations as a result thereof.
